Comment. Major Narong is mentioned in connection with Siamese attempts to buy arms in [REDACTED]. Reference is made to [REDACTED] which referred to "Major Narong Worabut" as an intimate Pibul protege, who recently returned from the United States. Narong Worabut is a Lieutenant Colonel ([REDACTED]), and since Major Narong Salirathavibhaya is well known as an executive close to the Prime Minister, it seems possible that he was the Narong in [REDACTED]. An attempt will be made to clarify this and further information will be available at a later date.
